

Presentation sports project The Napoleon 100 km Walk

Target

- Promotion of the “Long Distance Walking Sport” through the presentation of a well-known historical route via renowned locations out of history especially Waterloo;
- Cross-border promotion of our national inheritance (Grand-Place and the Royal Palace of Brussels, Lion’s Mound & Waterloo Battlefield, the romantic Castle of Gaasbeek) through the integration of the sport event in the platform of the association: the international sportsite BWA;
- Encourage doing sports in nature via a respectful passage through the Bois de la Cambre and the majestic Sonian Forest in the belt of the European capital, the picturesque Hallerbos and the prestigious domain of Huizingen in the Pajottenland and with the integration of the legendary Wall of Geraardsbergen in the final.

Description

Track NV

The intention is to divide the historical 100 km track beyond Waterloo, where Napoleon Bonaparte was defeated on 18 June 1815, in two parts: group & freestyle

- **Part 1 “Group”**: Brussels ‘Grand-Place’ → Castle of Huizingen (50 km)
- **Part 2 “Freestyle”**: Huizingen ‘Castle’ → Geraardsbergen (50 km)

Start of the project

The start of “The 2nd Napoleon 100 km Walk” on the Great Place in Brussels will be held on ---.
